WIPER BUYBACK PROGRAM

Replace your wiper blade stock — fast and free.

Take advantage of Advance's Buyback Program — a dollar-for-dollar swap out of competitors' blades. You'll receive new stock and a better quality blade — at no cost.

Your Commercial Account Manager delivers your first stocking order to your shop and removes your old and outdated wiper inventory. Mobile Parts Pros will restock your wiper inventory regularly. You don't have to do a thing, except say you want to participate.

We deliver. Fast. Fresh. Every day.

- Fast, fresh batteries delivered in 30 minutes or less
- 99% coverage for light trucks and cars on the road today
- Same high-quality battery as leading brands

AVOID PREMATURE FAILURE
The Solidium™ Weld System virtually eliminates corrosion.

LONG LIFE
Features a centered lug and uniform plate thickness.

HIGH PERFORMANCE
PowerFrame™ Grids are a patented, technologically strong grid system.

Cal-Van TOOLS

NEW PRODUCTS

CAL555 **$243.00**

Camo Pro Pac Booster Pack with Inverter

- 1700 Peak Amps
- 550 Amp fully insulated copper clamps
- 48" 4 gauge cables
- Adjustable multi position light
- 22AHr 300 CCA

With a premium long life battery and up to 1700 peak Amps, the Allstart Camo Pac by Cal-Van is for vehicle owners and professionals who need strong, dependable starting power. The ability to provide over 40 jumps between charges, 29" heavy-duty cables, adjustable multi-position light, battery status indicator, DC port for charging or memory saver when swapping batteries, and auto charge shutoff make the Camo Pac as handy as it is powerful. AllStart products are specifically designed for vehicle jump starting applications; capable of delivering 1700 peak Amps and 300 cold-cranking amps of starting power. High grade 550 amp fully insulated copper clamps with high-tension springs penetrate corrosion on battery terminals and transfer maximum power to the vehicle's battery. Its durable, drop-tested, chemical, heat and cold resistant case offer protection from everyday shop, garage and outdoor environments. Whether you're in the shop, the side of the road, or out in the woods the AllStart Camo Pac can be stored easily and safely for when you need it.

CAL554 **$225.00**

Camo Pac Battery Jump Starter

CAL556 **$241.43**

Marine Portable Power Jump Starter

- 1700 Peak Amps
- 22Hr Battery 300CCA
- 300 Watt power inverter
- 48" 4 gauge cables
- Starts over 40 vehicles on a single charge

With a premium long life battery the Allstart Marine Portable Power Pac by Cal-Van is for outdoor enthusiasts or professionals who need strong, dependable starting power along with the convenience of a power supply all in one. The ability to provide over 40 jumps between charges, and also include a 300 watt DC-to-AC inverter to power cell phone chargers, laptops, radio, etc, makes it as handy as it is powerful. Allstart products are specifically designed for jump starting applications; capable of delivering 1700 peak Amps and 300 cold-cranking amps of starting power. High grade 550 amp fully insulated copper clamps with high-tension springs penetrate corrosion on battery terminals and transfer maximum power to the vehicle's battery. Its durable, drop-tested, chemical, heat and cold resistant case offers protection from everyday shop, garage and outdoor environments. Whether you're in the shop, on the dock or on the water, the Allstart Marine Portable Power Pac can be stored easily and safely for when you need it most.

CAL558 **$129.95**

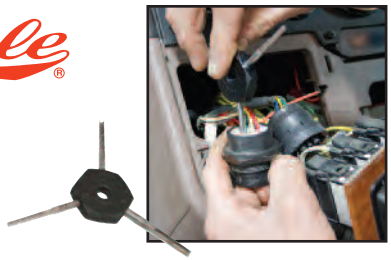
Mini Jumper Battery Jump Starter

- 900 Peak Amps
- 12AHr 200CCA Battery
- 10 Jumps on a single charge
- 10 Watt Halogen spotlight
- 29" 6 gauge cables

With a premium long life battery and up to 900 peak Amps, the Allstart Mini-Jumper by Cal-Van combines dependable starting power and convenient portability into this light-weight unit. The ability to provide over 10 jumps between charges, 29" heavy-duty 6-gage cables, built in 10 watt Halogen Spotlight, battery status indicator, DC port, and auto charge shutoff make the Mini-Jumper handy and powerful. Allstart products are specifically designed for vehicle jump starting applications; capable of delivering 900 peak Amps and 200 cold-cranking amps of starting power. High grade 400 amp fully insulated copper clamps with high-tension springs penetrate corrosion on battery terminals and transfer maximum power to the vehicle's battery. Whether you're at work, home or play the Allstart Mini-Jumper can be stored easily and safely for when you need it most.

NEW PRODUCTS

Lisle®

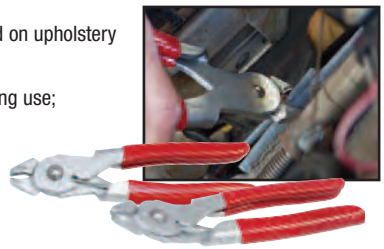


LIS59600 **$28.95**

Deutsch Terminal Tool
- Works on OEM electrical connectors used on trucks and equipment such as Caterpillar, Kenworth, Peterbilt, Freightliner, Mack and more
- Also used on some Harley Davidson and industrial equipment connectors
- Slotted tubes are made from stainless steel which is more durable than plastic
- Built in a convenient "spider" design so the most popular sizes are always available

To use, slide appropriate size slotted tube over wire. Push the tool into the grommet, bottoming out the tool on the terminal. DO NOT TWIST THE TOOL. Pull the wire-terminal out of the connector.

Hog Ring Pliers
- Designed to close hog ring fasteners used on upholstery on many domestic and import vehicles
- Steel pliers are durable and easy to use
- Spring loaded jaws hold the hog ring during use; pliers have cushioned grips for comfort
- Pliers can also be used for joining fences



LIS61400 **$25.70**

LIS61410 - Angled **$25.70**
- 45° angled head to fit into tight spaces

LIS62110 **$35.00**
